

STUDENT POSITIONS AVAILABLE

STUDENT VOLUNTEERS AT THE MUSEUM OF APPLIED ARTS AND SCIENCES

The Museum of Applied Arts and Sciences offers a one week student volunteer program at the Powerhouse Museum, providing a limited number of high school students with a unique one week 'hands-on' peek into the dynamic and diverse Museum sector.

What will you learn as a student volunteer at the Powerhouse Museum?

During your week at the Powerhouse you will engage with visitors in the interactive gallery spaces and work with Volunteers, Education, Research and Digital Services staff.

The Student Volunteering program at the Powerhouse Museum is an excellent opportunity to gain skills in a 'hands on' event role in a public environment. The program is ideal for students wishing to gain experience in Museums, Entertainment, Education programs and/ or Visitor Services.
