MAJOR RETROSPECTIVE EXHIBITION: ZAMPATTI POWERHOUSE

Powerhouse today revealed details of [Zampatti Powerhouse](#), the major survey exhibition which will celebrate the life and legacy of the iconic Australian, **Carla Zampatti** opening **24 November 2022**.

The **first internationally exclusive retrospective** of **Carla Zampatti AC, OMRI (1938–2021)** will present the life and work of the inimitable Italian-born designer, beloved as an Australian fashion icon. The breadth of her extraordinary private, professional and public life will be rendered in exquisite detail, anchored by Zampatti's signature designs and brought to life with first person reflections on the designer's clients, family, staff and friends.

Zampatti Powerhouse will encompass **100 designs** from over **50 lenders** and over **five decades** of material, surveying a trailblazing career from the establishment of her business in 1965 to her most recent work.

Iconic pieces worn by high-profile Australian women in defining life moments include former **Prime Minister Julia Gillard's** jacket worn when she addressed US Congress in 2011; the white jacket worn by **Christine Holgate** when speaking at the Australia Post Inquiry in April 2021; the red pantsuit worn by **Linda Burney** for her official parliamentary portrait in 2019; **Tina Arena's** jumpsuit, personally fitted for her ARIA Hall of Fame induction in 2015; and

Allegra Spender's blue jacket which belonged to her mother, frequently worn while campaigning for the federal seat of Wentworth.

Other highlights include the gown worn by **HRH Crown Princess Mary of Denmark** for her official royal portrait in 2015; personal items worn by Zampatti; a 1985 Ford Laser she co-designed; and two large bronze busts by **Dame Elisabeth Frink**.

Following a public call-out, the exhibition will also present around 30 loaned garments from Zampatti's rarely seen early design work from the 60s and 70s, alongside the stories of the Australian women who wore them.

'The NSW Government is proud to support the first retrospective of Australian fashion icon Carla Zampatti at the home of Australian fashion, Powerhouse Ultimo. This showstopping exhibition will undoubtedly be one of the highlights of NSW's cultural calendar,' said **Minister for the Arts Ben Franklin**.

'It is an incredible honour for Mum's design legacy to be showcased in a major exhibition at Powerhouse Ultimo. Mum loved the magic of fashion, the big runway shows as well as hearing her customers' personal stories and how her designs often played a small part in moments of significance in the lives of many Australian women,' said **Carla Zampatti CEO Alexander Schuman**.

'*Zampatti Powerhouse* will showcase the oeuvre of an Australian icon at the forefront of Australia's fashion industry, from designing a car with Ford to the uniform for Australia Post. I'm so excited to see the beautiful, rare Carla designs found in private wardrobes and hearing the associated stories,' said **Powerhouse Trustee Kellie Hush**.

'As a trailblazing leader for women in business, Carla was passionate about creating looks which made women feel confident in the defining moments in their lives, evidenced by the overwhelming response we received to our public call-out. *Zampatti Powerhouse* celebrates the designer's affinity with Australian women and her indelible legacy,' said **Powerhouse Chief Executive Lisa Havilah**.

To accompany the exhibition, Powerhouse will release a publication including an archival collection fashion shoot starring Zampatti's granddaughter **Brigid Schuman**, and portraits of luminaries such as **Dame Quentin Bryce** and **Ita Buttrose** by Hugh Stewart.

Powerhouse will partner with cultural institutions and foundations supported by Zampatti to present live performances, late-night programs and panel discussions celebrating her expansive legacy not only as a fashion designer but also a successful businesswoman, philanthropist, patron of the arts and mentor:

About Powerhouse

Powerhouse sits at the intersection of arts, design, science and technology and plays a critical role in engaging communities with contemporary ideas and issues. We are undertaking a landmark \$1.4 billion infrastructure renewal program, spearheaded by the creation of the flagship museum, Powerhouse Parramatta; expanded research and public facilities at Powerhouse Castle Hill; the renewal of the iconic Powerhouse Ultimo; and the ongoing operation of Sydney Observatory. The museum is custodian to over half a million objects of national and international significance and is considered one of the finest and most diverse collections in Australia. We are also undertaking an expansive digitisation project that will provide new levels of access to Powerhouse collections.
